	Quiet: 35 head	Quiet: 32 head Slightly Stirry: 3 head	Temperament not assessed in Paddock

Quiet young cattle that moved through the yards well.

Handled With: Bikes , On foot , Vehicles

Assessor Comments: Quality weaned Angus steers. These steers are from large frame Temania blood Angus cows and sired by Landfall & Te Mania Angus bulls. They have all the genetics to grow out for your desired markets be it Feedlot or grass-fed programs. This is the top draft of this drop. Steers are doing well on oats crop and will continue to perform given the opportunity. Only offered for sale to make way for breeding stock.
