Assessor Comments	Nice Line of Angus x Angus x Santa Heifers that are quiet and easy to handle. Heifers are showing good frame and bone and are ready to go ahead. Heifers would suit any backgrounding or breeding operation. Please note these heifers have been locked up since Tuesday on good quality wheaten hay and have had 60 plus ml of rain on them and a cold snap over the last week. Photos do not do them justification. Please also note Vendor has another lot in this sale.
