Assessor Comments: Excellently Bred Steer Weaners with 20 Years of prodomentley Ardrossan, Dunoon and Connanara Angus bloodlines used. These steers have done exceptionally well for there age and are staking on the weight at present whilst on quality feed. The steers are out of some of the best bred cows in the district. These calves are generally in the top pens at the Euroa Blue Ribbon Spring Drop Weaner Sale in June. These steers will be high performers if given the right opportunity.
