	Quiet: 15 head	Quiet: 15 head	Temperament not assessed in Paddock

As you would expect from stud cows, these cows moved quietly through the yards with no fuss. A pleasure to handle

Handled With	Bikes , Dogs , On foot , Vehicles
Assessor Comments	** Stud Dispersal ** Excellent opportunity to secure a quality line of genomic enhanced stud Shorthorn cows. These females are backed by over 50 years of performance recorded breeding. These females are ideal for both stud & commercial breeders looking for exceptionally well bred females to breed bulls or quality females out of. Please see attached sheet for individual breeding details. This is a great chance to get into a well respected herd. Buyer to pay stud transfer fee if applicable and any other related costs.
