Assessor Comments	Buyers a fantastic opportunity to take advantage of the season and to buy quality first calf heifers and calves ready to join to the bull of your choice. Heifers are only running on shorter native pastures and would turn into lovely matrons in time on a rising plain of nutrition. Heifers and calves have had a drench and the calves also vaccinated on the weekend. Heifers were purchased from the "Mack" family Bingara in 2 consignments with a very even run of sappy calves at foot. Heifers and Calves are only being offered due too owners change in employment and larger worker commitments. 3 heifers showing a slight influence of Santa & 1 heifer white on undercarriage from navel too udder (see photos).
