Assessor Comments	Buyers, on offer are 102 VGQ Angus and Angus cross weaned Heifers. Heifers stand on good bone showing plenty of length, depth and softness while still showing very good femininity. Heifers could be taken through to heavier feeder weights or kill weights at a young age suiting all the Domestic and Export markets with the majority suiting the Angus markets. These heifers would also suit restockers looking to build up breeder numbers and join to a bull of your choice in the coming time.
