This bull handled very well but please keep in mind he was born and bred on the property.

Handled With: Bikes , Dogs , Vehicles

Assessor Comments: U'Beauty is a well balanced bull ready to go to work he has not been used yet. He would be q great bull for any commercial South Devon herd or a weaner operation wanting to get some muscle and shape in to their weaners. The vendor has been very impressed with the weaners U'Beautys sire has been producing. With the same repeat buyer buying their weaners for a number of years.
