Assessor Comments	A very good draft of Limousin Steers from Owen & Sons of Glenola Limousins who pride themselves on breeding high end quality livestock. These steers are the lead draft from there 2023 spring drop weaners and are only been made available due to an increase in Cow numbers. They are genuinely only 11-12 months of age and are bred from top end large framed Limousin cows sired by Glenola Limousin Bulls. They were drenched early July and have had 2x 7in1 Vaccinations along with arrest easy dose 3 weeks ago. Excellent draft of steers which are very quiet to handle to handle that I'm sure would satisfy the most discerning purchaser.
