Exceptionally quiet heifers, a credit to the vendor for presenting heifers with this temperament.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	A small line of exceptionally quiet, good quality, vendor bred, British heifers. The temperament of these heifers is a credit to the vendor and as such would make them perfectly suited as future breeders particularly for someone on a smaller holding. None of this line of heifers have been retained. Alternatively they would also suit backgrounding through to Domestic feeder weights or taking through to heavy kill weights.
