There was only a handful of Heifers that got slightly agitated on the weigh platform but once off and with the mob they settled quickly.

Handled With: Bikes , Vehicles

Notable Traits

	Traits
8 Head	Warts on face

Assessor Comments

Sam Wilson is offering a very good line of 47 Heifers NSM with an average curfewed weight of 450kg. These Heifers were purchased in December 2025 and January 2026 out of Mortlake Weaner Sale from the highly regarded "Horwarths" Herds. They are Banquet Blood and are in very forward condition and have been gaining on average 1.5kg per day for the last month. These Heifers would be ideal to join to the Bull of your choice or to Grass Finish or Feedlot. They are Greenhams Never Ever Accredited. Buy with confidence.
