Assessor Comments	On offer is a one mark run of 12/13 month old backgrounder heifers. These heifers were bought in April as young weaners and grown out on grass. Well bred heifers sourced from a feature sale at Mortlake, these heifers are bred from a Weeran Blood Angus herd. They are well grown for their age and have the frame and capacity to keep growing out on grass or grain. They are performing well off grass through a wet winter and are perfectly placed to go ahead on spring feed.
