Assessor Comments	On offer is a very good quality line of Merino Ewes with Merino lambs at foot. Ewes are being offered only due to property being on the market, mob has been supplemented with Barley grain since April and the benefits of this are evident in the forward healthy condition of ewe and the exceptional job they are doing on lambs. Ideal lot for anyone looking to start or increase merino enterprise & with an 83mm avg jacket of primarily white bright wool on ewes presents a good opportunity a quick return of money. Ewes were purchased Directly off Blyth Merino Stud back in 2022 and potential purchasers can buy with confidence. This mob is the singles mob from scanning and a mob of multiples will be offered in the same sale also. ALL LAMBS WERE MARKED, 6IN1 & GUDAIR VACCINATED AND SCABBY MOUTHED 2 WEEKS BEFORE ASSESSMENT (not all tails had fallen off at time of assessment) please note: approx. 2 ewes with broken skins in mob
