Assessor Comments	Good quality line of Ultrablack heifers purchased as cows and calves. Would suit backgrounder, feeder or breeder operation. Showing good bone and growth for age. After a dry winter, there has been a recent break in the season with Buffel starting to freshen up and heifers are on the turn. Only selling to reduce numbers to give country a spell. Would make a good line of heifers that will not disappoint in any operation. Please note: Vendor has another two decks this sale.
