heifers were quiet to handle through the drafting and weighing process. Heifers walked through raceway with ease and stood well in weigh box and walked quietly back to the mob. Didnot see any issues with this draft of heifers

Handled With Bikes , On foot , Vehicles

Assessor Comments Nice run of cherry red Hereford heifers, a large percentage of these heifers have the Remolea Stud Hereford Blood in them. A nice even draft of Heifers that would make great replacement breeders with your choice of Bull over them or, a deck of Heifers that would be suited to local trade feeders. Only 1 Heifer has been tipped with the balance being all polled. These Heifers have been grazing on improved pastures with a grower pellet supplement and have really taken off since the rain. Nice draft of Heifers that would continue to impress and hard to find a draft of quality British bred Heifers available
