Assessor Comments	An Excellent quality line of vendor Bred Angus x Angus Yearling Heifers, Bred from a large framed cow herd with Raff angus genetics and were sired by Raff and Dulverton Angus sires. Heifers offer many options to their future purchaser. Heifers are are weight to be joined for future breeders or would make a great even line for backgrounding or suitable to feed straight away. Heifers have not been previously joined but have been pregnancy tested empty to offer peace of mind to potential buyers, heifers have also been given their first vaccine shot of Coopers Bovillis MH + IBR. A quality deck of well bred heifers that offer so many options going forward, perfect future breeders, cattle that will accommodate all angus premium end markets, grass fed eligible and Anti Biotic free with declaration available on request, don't miss.
