Assessor Comments: Quality line of vendor bred Angus steers that are primed for the feedlot. Steers are bred out of Hazeldean and Te Mania bulls with a strong selection focus on carcass traits. Steers have been weighed up to average 477kg full at assessments and have been performing very well, up to 2kg/day on improved rye pastures. Steers have all been pre vaccinated with their Bovilis MH + IBR and are up to date with all other health treatments. Buyers please note extended delivery period of 2 weeks to allow for feedlot entry management. Please allow for additional weight gain if utilising the 2 week delivery window. Please note odd steer identified with small amount of wart, odd steer with small amount of white under belly and one steer with small scur.
