Assessor Comments	Here is an excellent opportunity to purchase and neat 3 decks of British & Euro X heifers. These heifers are PTE and weighed into feedlot spec to save all that hard work. At assessment these heifers weighed 368kg - 514kg to average 406kg. The heifers are preg tested NDP by the local vet. They ideally suit a summer crop program to kill or 70/100 DOF feedlot program to be finished in the 2027. Please not one heifer had an old blue pin mark in one eye.
