Assessor Comments	114 Vendor bred future breeder or backgrounder heifers. Upland Pastoral have developed a herd over the past 12 years which now has a significate Angus base. Pathfinder, Milwillah & Millah Murrah gentics have been introduced and focusing on high IMF and growth to improve their performance of the herd. Don't miss the opportunity to secure heifers which would compliment any breeder herd or backgrounder into a feeder job. These heifers are a credit to the vendor, displaying excellent temperament and being easy to handle. Buy with confidence.
