Assessor Comments	An opportunity to purchase a very well bred line of Steers ex Tarella Station. Vast majority of the line were purchased as young Calves with their mothers from East of Tamworth (Purple Tags) smaller % of the steers were purchased ex Tamworth following rain (Yellow Tags). All cattle were purchased from earlier 2026, Feb-April. Steers present in forward condition, local rain produced a stellar season through the White Cliffs area with cattle performing incredibly well. July 2027 payment terms available for approved purchasers prior to sale.
