Temperament

Yards	Crush	Paddock
Quiet: 34 head	Quiet: 34 head	Temperament not assessed in Paddock

Cattle displayed excellent temperament during assessment. All heifers flowed through the yards smoothly with minimal disturbance. The odd heifer tried to turn in the race but other then that they are quiet and easy to handle making them suitable to all experience levels.

Handled With Bikes , Dogs , On foot , Vehicles

Notable Traits

	Traits
1 Head	Large navel
4 Head	Weepy eye

Assessor Comments A top quality line of 8-9 month old Angus x Friesian cross heifers, currently on a grain fed diet and exhibiting outstanding weight-for-age growth. These heifers feature the desirable carcass traits of Angus genetics, with excellent body development and potential. With a calm temperament and significant growth potential, they are ideal for ongoing feeding. programs aimed at domestic or export markets or to take on into future breeding programs. The vendor also has a 2 lines of steers a line of younger heifers and a line of Friesian steers in same sale.
