Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	A line of good quality vendor bred Australian White lambs presenting in healthy store condition. They had an average live weight at assessment of 34.7kg after a large curfew of feed and water. Lambs are sired by leading Sans Souci and Springdale Australian white rams and should perform very well with the right nutrition. Please note; A 10% tail was removed at assessment. Very small% with ginger markings or coloured.
Assessor	**Ben Johnston (Level 1 Accredited)**
