Assessor Comments	A good quality line of cows & calves ready to take advantage of this great season. An ideal opportunity for buyers to secure quality quiet cows and calves that will bounce ahead given the opportunity. Vendors cattle are well known for being good performers and this is a great chance to put aside some cattle for turnoff early in the new year. 2 cows with old eye scaring not detrimental. 1 cow with a couple of small lumps on jaw area (pictured). 1 cow with swollen teat (pictured) not affecting her rearing her calf. Vendor has another 33 x 33 cows and calves in the same sale (just from a different paddock)
