These heifers were an absolute pleasure to handle & assess. They were preg tested directly before assessment and happily flowed through the race and yards easily the second time. A large amount of time is spent educating and handling these cattle. Cattle are culled strongly on temperament.

Assessor Comments	Buyers here is a rare opportunity to acquire a front paddock line of Santa Heifers. The Gall family cattle are renowned across the Downs for their quality and style. These heifers are by strictly Rosevale Santa Bulls with the Gall Family selecting only the best Bulls on offer. These heifers weighed exceptionally well at a young age. The heifers offer all the required feminine traits to grow out to be an outstanding line of Breeders for years to come. They show excellent shape and muscle expression. The Gall Family cattle are highly sought after every year with high levels of competition from all local feedlots and backgrounders. These heifers were preg tested empty at assessment to give buyers complete confidence that they are ready to join to the bull of your choice. This a fantastic opportunity to purchase one of the best lines of Santa replacement heifers on offer.
