Assessor Comments	An excellent line of vendor bred angus x weaner steers. Steers have been weaned and in store condition and will perform on any pasture. Steers are out of mainly angus and santa cows by stud Nindooinbah and Texas angus bulls, have all been worked with dogs at weaning and have had two doses of 7in1. These cattle are extremely quiet and would be ideal future feeders for feedlots feeding for th edomestic market such as woolies or coles, or would be suitable for a straight black long fed program.
