Assessor Comments	A neat line 15 X 15 Angus cows and calves. This is their 3rd calf at foot and have not been rejoined therefore open for the purchaser to join to the bull of their choice. These young cows stand on good bone along with plenty of length.The cows are in good store condition and doing a very good job on their calves. The cows are milking very well, calves are very fresh and well grown for their age.The calves have been marked and had their first vaccination on 5.9.22. 6 Steers and 9 heifers. Cows and calves are sired by a combination of 5-Star, Texas, Knowla and Sugar Loaf Angus Bulls. 15 Cows and calves that have “huge upside” especially with the season that eastern Australia is experiencing.
