Assessor Comments	On offer is a great run of Shorn X-Bred store lambs that present as the perfect article to feed on. They have been trained on grain and have been on lick feeders with barley for a month. These lambs are right up to date with their health treatments and are very well shorn. They are well bred out of Kinellar White Suffolk Rams and have the genetics to reach domestic and export weights given the right nutrition. These lambs are in forward store condition. Tail has been removed on farm.
