Vendor Comments	Selling a neat line of 26kg plus store lambs. 100% weighed these lambs will grow out well given the right nutritional Plan.

Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.
Assessor Comments	PJ Ham and GJ Lanman have for sale an exceptional line of White Suffolk X Composite store lambs. These lambs have been Grain Trained on mum prior to weaning and have been weaned for 2 weeks. They have 2 x 6in1 Vacc, Drenched and 100% weighed over 26kgs. The vendors select their rams on high growth and muscle with all rams purchased over 160 on TCP. These lambs are an excellent opportunity to put a large line of backgrounding lambs that will feed on to heavy Export weighed lambs.
