Assessor Comments	A very nice line of vendor bred, Dorper ewe lambs. Boasting plenty of high class genetics and very nice feminine traits, these ewes are perfect to take home and join to the ram of your choice. Averaging right at 40kgs these ewes are ideal to put straight with the rams, alternatively they are also the right weight to put into the feedlot if you so desire. Winray and Amarula genetics, these ewes are not to be missed.
