Assessor Comments	An opportunity to secure a stunning line of PTIC angus females with a splash of tropical content. Heifers are from southern NSW and have done exceptionally since heading north west, presenting in excellent condition from being soft easy fleshing types. In calf to Stud Poll Hereford bulls and have continued to gain condition these heifers are well grown and would be a great addition to any program. Backed by prominent bloodlines please check within assessment, With a range of 367-504kg and avg of 424.4kg at assessment. All the hard work is done with recent health treatments, these young matrons are perfect starters or additional quality heifers' to gain numbers in your program. Vendor has 2 lines on offer in this weeks sale.
