Good line of preg tested Angus & Angus X heifers, in good store to forward condition, preg tested to Kraken & Ramsey Creek Brangus bulls. 31 head preg tested red tags 4 to 6 months in calf & 2 heifers preg tested blue tag 3 months. Observed 2 head with white underline and 1 head with red fleck through coat. Heifers have done well since arriving and majority have grown out and present in ideal condition to calve down to the Brangus bulls.
