| Joining Details | Not Station Mated |
| Any Access To Rams or Stags? | To vendor's best knowledge, this lot has had no access to rams or stags. |
| Assessor Comments | Outstanding line of vendor bred first cross BL/MoX ewe lambs. This line is the tops of the drop. They have been weighed through the auto drafter from 46-61kg. They are medium to large frame and present in a forward condition. These ewes will grow into fantastic breeding ewes in the future. They are Gudair vaccinated. |
