Assessor Comments	On Offer is 32 high quality PTIC (RED TAG) Angus females with huge potential split into 2 lines of 16. Heifers have been manually split and kept separate for buyer assurance. Coming from well respected, Mione Pastoral program, these PTIC breeders are backed by the proven genetics of Karoo and Bannaby Angus Bloodlines and joined to a sleep easy Hollywood Angus heifer bull. Displaying great condition these heifers are well grown, with huge capacity and depth, making the an asset to any program. Averaging 583.1kg at assessment. Heifers have had all the hard work done and are ready to join your program, these heifer have had everything done right in their preparation for sale from health treatments to reproductive tests, you know exactly what your a buying. These heifers come with my highest recommendation.
