Assessor Comments	Very good line of Feb/March'24 drop Weaner Steers. Showing good growth for age these steers have good shape and bone. Gunago cows are a Te Mania and Karoo Angus base with Baldridge Command(AI'ed) and Karoo Angus Sires, with the calves being very well sort after at our feature sales the performance of them is well noted. These calves are been sold earlier than normal due to a tighter winter at Meadow Flat. Given the right opportunity these calves will power ahead post weaning and will definitely impress.
