Assessor Comments	A rare opportunity to buy a very neat line of 230 Black tag NSM merino ewes. The Moore family have been sourcing there rams from Roseville park for over 30 years. These ewes have been classed in breeders and are only on the market due to the sale of the property. These ewes are in the prime of their lives and would be an asset to anyone's breeding operation. An opportunity not to be missed in purchasing a line of classed in ewes that still have many years of breeding ahead of them. Also offered in this sale is 300 Blue tag ewes giving a prospective buyer to purchase approximately 530 classed in merino ewes from the Blink Bonnie family at Tarana.
