Assessor Comments	**Annual sale of classed in 4.5 Year Old Ewes** **Outstanding Ewes** These 190 Ewes would be the Pride of any flock, its hard to go past these 4 1/2 Yr Old merino ewes, with McGenniskins buying the top end at Roseville Park the last 15 years and before that were on Merryville genetics for 70 years. Great bodied, strong robust ewes cutting 6.5kgs and only testing 18 mircon, these ewes come with my highest recommendation. These ewes have been Gudair vaccinated, mouthed, titted and feet have been gone over with a fine tooth comb so you can buy with confidence you will get another 2-3 good years out of these proven ewes. Outstanding ewes with plenty of lambs left in them yet. This is an annual sale of these classed in ewes. A fantastic opportunity to buy genuine well bred sheep.
