Assessor Comments	Outstanding quality beautifully bred "Okeview" steers. These steers were all weighed 400 kg plus and are not over done with condition giving purchaser plenty of scope to put weight on quickly they will suit either a feedlot or Bullock finisher and in my opinion are some of the best Hereford cattle you will buy. The Okeview cattle have a tremendous name in the Hereford world and have always focused on buying top end genetics with very good feedback on the performance of their cattle in the past.
