Well handled cows, these cows calved in the driveway paddock so well use to vehicles driving around them, handled both off a horse and side by side with dogs.

Handled With	Bikes , Dogs , Horses , On foot , Vehicles
Assessor Comments	Buyers are very nice line of young cows with extremely well bred calves at foot, these cows have been running back for the last few weeks with the same bull they were previously joined to that sired these calves he will remain with the cows until delivery. Cows present in outstanding condition and are doing a wonderfull job on their calves. Calves have not been marked yet. One bigger bull calf showing signs of a weeping eye. These cows have many years left in them and are for genuine sale. One cow with white up to navel and one with white on brisket. Bull is not for sale but features in the media.
