Assessor Comments	Artimore has long been home to an outstanding herd of Shorthorn cows largely based on Futurity bloodlines for the past 15 years. The Simmental shorthorn cross cattle have performed well at Artimore and for previous buyers suiting both domestic trade and also successfully finishing as bullocks. This group comprise of 64 Simm x Shorthorn steers and 26 Shorthorn Steers. Good growth for age, shape and bone. Present in strong store to forward store condition. Handle extremely well through yards and crush.
