Assessor Comments	A line of 64 Angus X Angus PTIC Cows, weighing from 580-822 kg to average 701 kg at assessment. PTIC as blue tags (2-4 months) to Millwillah and Wrigley Cattle Co bulls for a May/June Calving, these cows originated from cow and calf units purchased from the Kenny's Creek Breakfast Creek Station commercial herd and present in impeccable condition off the back of a good season. Cows had their second calves weaned off on 6/11/26 so present with full udders. These cows were a pleasure to push through the yards and have reared their first and second calves excellently.With a mile of breeding behind them, buyers don't miss out on this opportunity. NOTE:Vendor has 3 lots in sale.
