These cows and calves were very good to handle in the yards.

Handled With Bikes

Assessor Comments A very good line of medium to large framed Angus cows with their 2nd calf at foot. These cows are showing great milking ability and are doing an outstanding job on their calves. (calves average 150kgs) The cows have had a full joining to a Karoo Angus bull and the bull will not be taken out until delivery. These great units represent a outstanding opportunity to improve your herd with a possible 3 in 1 unit.
