	Very good cows and calves to handle in the yards		
Handled With	Bikes		

Assessor Comments	A small but very good line of black baldy cows and calves. These cows are medium to large frame, are on their 2nd calf and are showing great milking ability with the calves averaging 150kgs. These cows were very quiet to handle and have had a full joining back to the Karoo Angus bull. These young cows and calves represent a great opportunity to possibly purchase 3 in 1 units and improve your herd.
