Easy cattle to handle, but when left with too much space or to much pressure put on a couple would get a little excited, but majority would block when needed.

Assessor Comments	A very handy line of vendor bred Charolais cross females showing good weight for age. Sired from Quality Bulls these these cracking heifers provide you an opportunity to purchase with the majority to suit domestic grain fed operations or grow out for export markets or use as replacement heifers to put to the bull! Either way you will be purchasing a quality line of heifers that will excel in whatever new chosen roles they are given. ** Please note - There is two lots of Heifer sisters & one lot of 46 steers in the same sale** ** There is a couple with a light spotting/blemish in eye but not detrimental**
