Handled With	Bikes , Dogs , On foot , Vehicles																		
Assessor Comments	On Offer is a outstanding line of Angus 2in1 units. These 20 well bred Trowbridge BBB Blood matrons have been extremely well managed with cow and calves both being up to date with drench and vaccinations. Cows are mixed ages and are proper breeding cows with plenty of depth and capacity averaging 615.2kgs at assessment. These females come with cracking calves at foot sired by the Trowbridge angus bull and avg 105 kg at assessment. This a great line of high quality cows to start off a commercial program or boost numbers will retaining a high standard of females. Please note 2 cows did display old pink eye scaring at assessment.																		
Assessor	Paul Breen (Level 1 Accredited) Parallel Assessed By : Tom Mitchell
