	Steers were good to handle. They moved through the yards well. Only a handful of steers became agitated when put under some pressure.
Handled With	On foot , Vehicles
Assessor Comments	A nice line of feeder steers ideal for either finishing on grain or grass. The steers were purchased in as weather steers and have been grown out on grass since being purchased in the autumn. Buyers please note that there are 4-5 steers with some old pink eye scarring that does not affect their vision.
