Assessor Comments	A TOP QUALITY LINE OF NSM HEIFERS. These heifers are very well bred and would ideally suit being taken on to join. A strong focus is taken on moderate birth and 400/600 day growth in bulls purchased from leading Central Tablelands Angus studs including Milwillah, Gilmandyke, Bongongo and Twynam. Heifers are deep bodied, easy doing cattle that show all the positive attributes of well-bred Angus cattle that will make great breeders of the future. Young females that present in ideal condition and frame to join or grow out to feeder weights. Heifers that are starting to clean up in the coat and move ahead as the spring pastures start to mature. Young females that will not disappoint.
