Assessor Comments	A very good line of backgrounder heifers with plenty of frame to go out into the paddock and put weight on. Heifers that have so much versatility whether to be backgrounded for a feedlotter or ran out on pasture and finished on grass. These heifers are only 12-14 months of age. The heifers are bred on a strong base of Blackrock, Monterey and Carenda Angus bloodlines, with focus on growth and phenotype. Buyers please note that there are 2-3 with some old pink eye scarring that doesn't affect their eyesight.
