Very well handled, in a quiet manner. Heifers stood well in the paddock for all media.

Handled With	Bikes , On foot , Vehicles
Assessor Comments	A very good line of EU Angus weaner steers direct from Highrent Angus stud at Walcha. These steers are grass fed eligible and antibiotic free, they are backed by industry leading performance genetics and will suit numerous EU feeder Angus markets or grass finish through for a heavy kill. Odd blue eye noted not deemed detrimental and odd steer with small amount of white on underbelly. Please note 5 steers castrated approx 5 weeks ago.
