These cows were agitated when there calves were taken off them, normally settle down pretty well, however they are not pets and have never been trucked before, so treat gently to start with and phone the Agent with any queries

Assessor Comments	7 x 7 Excellent quality Rennylea Blood Angus cows and calves. There are 3 x 4 year olds and 4 x 5 year olds with 5 marked steer and 2 heifer calves at foot runing back to Rennylea Bull since calving. Would be a good top up lot, only selling to tighten up calving
