Assessor Comments	21 Mixed Age Angus/BB Cows. Aug/Sept 2011-2015 Drop. Pathfinder Blood. PTIC to Grassdale Angus Bulls due to calve last week of July for 10 weeks. Large framed cows which are proven breeders. 3-4 cows show broken mouths but majority of cows still have very solid mouths for their age and their condition shows this. Great line of cows that will rear ripping calves. Majority of these cows will be good to join again.
