Assessor Comments	Top quality line of the Jeremiah Angus steers. These well bred high country cattle are just on the do and would continue to do so given the right opportunities. Weighed into a tight weight bracket 340-385 kg at assessment. Top steers to take onto feeder weights or kill weights. Past purchases have been really happy with how the cattle have performed. Vendors select the top end sires from Mundarlo, Crawford & Onslow studs. Small tail removed from mob at assessment.
